2. Within fifteen days from receipt of this order, counsel shall file with the clerk a certificate listing all persons, associations of persons, firms, partnerships, corporations, affiliates, parent corporations, or other entities that are financially interested in the outcome of this litigation. If a group can be specified by a general description, individual listing is not necessary. Underline the name of each corporation whose securities are publicly traded. If new parties are added or if additional persons or entities that are financially interested in the outcome of the litigation are identified at any time during the pendency of this litigation, then each counsel shall promptly file an amended certificate with the clerk.
3. NOTICE TO PARTIES ASSERTING FEDERAL JURISDICTION IN DIVERSITY CASES: Under 28 U.S.C. § 1332 there must be complete diversity between plaintiffs and defendants. Complete diversity requires that all persons on one side of the controversy be citizens of different states from all persons on the other side. The party asserting federal jurisdiction in a diversity action has the burden to demonstrate that there is complete diversity. The citizenship of limited liability entities is determined by the citizenship of their members. *Harvey v. Grey Wolf Drilling Co.*, 542 F.3d 1077, 1080 (5th Cir. 2008). When members of a limited liability entity are themselves entities or associations, citizenship must be traced through however many layers of members there are until arriving at the entity that is not a limited liability entity and identifying its citizenship
